basemap: *title:* Base Map of City Centre, June 1942

description: Map showing Nuremberg's historical city centre and the surrounding area on a scale of 1:5,000. Date June 1942 (lower right corner) faded and thus hard to read, but confirmed with derived maps with identical base map and clear date. The base map of 1942 was reprinted multiple times. The scan present in this entry is of an unchanged reissue of 1944. The date "1944" is noted in a legend box in the bottom-left corner of the map.

description: "Geräumte Fläche" – cleared area

Map with green markings indicating areas cleared of rubble; undated, [though likely produced in 1948. The colored hatched areas along Neue Gasse and within the Kreuzgasse quarter were presumably used for the temporary storage of demolition debris.] |Source: City Archive Nuremberg|
