description: "unbeschädigt; rot, wieder aufgebaut; grün, provisorium; zitronen gelb, total zerstört; gelb, über 60% zerstört; siena, über 40% zerstört; sepia, mehr als 10% zerstört; X Beschädigt [handwritten]"

Colored photo reproduction with markings indicating the extent of damage, using various gradations of destruction severity, as well as whether a building has been rebuilt or if a temporary structure has possibly been erected. Legend and publication details are located at the bottom edge of the map. Black - undamaged. Red - rebuilt. Green - temporary structure. Yellow - completely destroyed. Orange - over 60% destroyed. Light brown - over 40% destroyed. Dark brown - over 10% destroyed. The handwritten 'X' indicates damaged structures. The print was not produced before January 1950, according to the base map date (see base map variant).
